

# Earth Leakage Circuit Breaker

Part No.

DZ47LE-63

## Feature

- Leakage, short-circuit and overload protection
- Optional over-voltage, under-voltage or shunt protection.
- Used for circuit of AC 50/60Hz, 230V/400V, 63A

## ORDERING INFORMATION

**DZ 47LE - 63 - 1 N - 32**

①                      ②                      ③ ④                      ⑤

- ① Series:                      DZ47LE series
- ② Shell grade:              32, 63
- ③ Pole:                      1, 2, 3, 4
- ④ Neutral:                      N
- ⑤ Rated current:            32, 63A
